Learning Targets

English Language Arts (ELA): Continuing our realistic fiction stories, focusing on characters' feelings, adding details, and using apostrophes and commas appropriately. Continuing our nonfiction reading unit by focusing on science texts this week. Continuing Foundations Unit 9 (focusing on r-controlled vowels er, ir, and ur spelling patterns, like burst, termite, and dirty; trick words: picture, learn, earth, father, brother, mother).

Math: Continuing Unit 4 - Subtract 2-Digit Numbers. This week, we'll apply our subtraction strategies to all types of word problems. We'll also be continuing the CUBES strategy to help us understand each of the word problems.

Social Studies: Continuing Unit 5 "People in the Marketplace," learning about supply and demand of products and how this affects price. We'll also discuss international trading. Vocabulary: scarce, manufacturing, marketplace, & trade.

Science: Continuing our "Biodiversity of Life" unit in preparation for our zoo field trip. This week, we'll finish learning about the rainforest and beginning research about coral reef habitats and desert habitats.

Religion: Jumping right into our preparations for First Communion. We'll introduce our new First Eucharist book and begin at-home preparation as well.

Specials: Scheduled as usual, except no Art today because Mrs. Smith is out.
